Definition of contents: Minimum is the lowest possible foundation (pay.found\_min)  
Basic is the basic foundation (pay.base\_found)  
PSA Max is the maximum foundation allowance allowed for all PSAs (pay.base\_5500)  
Hold Harmless is \$1500 above the Basic through FY 2002,  
after which it becomes \$1300 above the basic (pay.base\_6500)

\* Districts with a per pupil foundation of less than \$6500 in FY 2002 will receive an equity payment per pupil equal to \$6,500 minus their per pupil foundation. This per pupil equity payment is 'rolled up' into the district's per pupil foundation for FY 2003.

Weighted Average Foundation is calculated using LEA foundations and blended pupil count (General Ed and Special Ed). PSAs and ISDs are excluded from this calculation. <sup>1</sup>
